Frankfurt Theater House

https://frankfurttheaterhouse.de

Frankfurt Theater House

Header - same one for Booking page. Hels in place when scrolling

| Home | | | Booking | | Contact | About |

All Events

Ballet
Play
Musicals
Choir
Instrumental Music

Event filter

Nav bar with icons

Animated image using CSS keyframes (hopefully).......

Would put 5 events per performance type. So Ballet x 5 events, Choir x 5 events etc. Each image with a book now button either on it or immediately under it and a description on the right fo desktop mode
